

PARENTS, BE THE FIRST TO BE IN THE KNOW... SIGN UP FOR THE PAC INFORMATION LIST!

Kwantlen Park's Parent Advisory Council is set up to support students' learning and achievements by providing an open forum for all parents and community representatives to actively participate in a variety of student and school focused activities.

KPPAC's responsibilities include the disbursement of gaming funds, maintaining the PAC scholarship fund and electing three parents to sit on the School Planning Council. Under the guidelines set by the BC Gaming Commission, Kwantlen Park PAC uses the Provincial Gaming funds to support the school's teams, band and various other committees with input from staff, parents and PAC members.

KPPAC also supports the KP Dry After-Grad event to help fund this fabulous event. The KP Dry After-Grad event costs approximately \$20,000 and is put on solely by many dedicated parents. In addition, a Dry Grad committee also holds fundraising events to raise the balance needed.

Kwantlen Park's Parent Advisory Council encourages and always welcomes input and participation from all parents and students.

All parents of Kwantlen Park Secondary students are members of KPSPAC and are welcome and encouraged to attend the monthly PAC meetings.

In order to keep the PAC members informed of PAC business and activities and events at Kwantlen Park, we are compiling a contact list. Your privacy is important to us. Your contact information will only be used to provide you with information including PAC minutes, notices and volunteer opportunities and other information concerning KPPAC or KP Secondary. Your contact information will not be shared with any other third party or individual.

I would like to be put on the contact list for KP Pac

Name: _____

Email Address: _____

Telephone Number: _____

My child is in grade: _____

Please fill out this form and return it to the PAC box at the front desk in the school office. THANK YOU FOR YOUR SUPPORT OF KPSPAC!
